REGISTRATION

HELPFUL TIPS:

1. Our four sponsoring colleges are opportunities to learn about your own journey, even if you are not considering them in your top picks.
2. When registering, include a personal student email and at least one family email.
3. For us to track your ACE progression, make sure you check in with the ACE representative or fill out the post event survey if required. (This will be indicated on your registration form.)
4. Some events **REQUIRE** two registrations, one with us and one with the event host. Read the ACE registration carefully for these instructions.
