Integrated Studies

School of Education

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.

About Integrated Studies

The Integrated Studies degree is an online program for students and professionals looking to finish their bachelor's degree, with a particular focus on professional skills, knowledge, and perspectives. This program maximizes transfer credit and allows students to use their existing work experience towards the degree. Students will gain knowledge and applicable skills in communication, collaboration, technology, critical thinking, and reflection that will benefit their professional journey.

Career Potential

Integrated Studies supports current full-time employed professionals with opportunities to upskill and advance in their chosen career fields or explore new career possibilities using skills foundational to all professions. This transferability also applies to any student regardless of work status or experience.

What Will I Learn?

- Skills and knowledge to work with others and collaborate effectively.
- Communicate professionally and effectively with both verbal and written communication.
- How to utilize and apply technology relevant to professional work and goals.
- Evaluate evidence and interpret research from different types of sources.
- Articulate self-awareness and reflect on strengths and interests, goal setting, and learning styles.
- Explain the role of values and ethics in the workplace.
- Apply principles and issues of equity and inclusion to professional issues.
- Describe different models of organizations and leadership and how that applies to an individual's professional goals.

Applying to Cortland

- SUNY Cortland accepts the Common Application and the SUNY Online [application](#). Choose just one way to apply; both require a \$50 non-refundable application fee.
- If you apply to Cortland using the SUNY application, SUNY will waive the \$50 application fee for transfer students graduating with an associate degree from a SUNY or CUNY college, who apply directly to Cortland for baccalaureate programs.
- Fall applicants should apply by March 1. Spring applications should apply by November 1.
- After [applying](#), students must send transcripts from all colleges attended and a high school transcript.
