

COMPLETE THE SENTENCE GAME

Say one (or two) word(s) to continue the sentence.

You're out if:

- You say a word that doesn't make sense grammatically.
- You pause more than 3 seconds.
- You say more than TWO words.

If you think the person before you completed the sentence, say "Period." But, if it's not a complete sentence, you're out.

When I study...

College students should never...

College professors get angry when...

Buying books for my classes...
